# **Everyone Counts!**

**On Tuesday, January 25, 2011, from  
Midnight to 11:59 p.m. the Fayette  
County Continuum of Care will  
conduct a statewide count of the  
homeless. This count is extremely  
important because it helps us  
determine the needs and services  
that are required to end  
homelessness locally.**

**With your help... We can collect data that will assist Ohio's effort to end homelessness and help Ohioans find and maintain permanent housing. Please contact Christina Blair at (740) 335-7282 to obtain more information on how to be counted.**
